Guidance for Disclosure Applicants

Please note that, if you are offered this position, the appointment procedure requires you to apply for either a Standard or Enhanced level of Disclosure with the Criminal Records Bureau (CRB) as detailed in the enclosed job description.

Standard Disclosures are primarily for posts that involve working with children or vulnerable adults or is of such a kind where the postholder will have access to these groups in the course of their normal duties.

Enhanced Disclosures are for posts that involve a far greater degree of contact with children or vulnerable adults. In general the type of work will involve regularly caring for, supervising, training or being in sole charge of such people.

A Disclosure is a document containing information held by the police and government departments. It can be used by employers to make safer recruitment decisions and is provided by the Criminal Records Bureau (CRB), an executive agency of the Home Office. Disclosures will provide details of a person's criminal record including cautions, convictions, reprimands and warnings held on the Police National Computer (PNC). Depending on the level of Disclosure it might also contain information held by government departments and local police forces.

In applying for a Disclosure you will be provided with the relevant form and guidance notes supplied by CRB. You must carefully complete and return the form and send it to Personnel Services together with various original documents confirming your identity (full details will be provided at the time).

Your completed Disclosure application form will be countersigned and forwarded to the CRB by Personnel Services.

The CRB will then undertake the necessary checks with the Police and other relevant authorities.

After all checks have been carried out, the CRB will send a Disclosure to both you and the counter signatory at the University, which will list any details obtained from those checks (except in the case of Additional Information which is released to the University only, by the Chief of Police). In the event of the CRB check highlighting information held on any of the databases accessed, a member of Personnel Services may contact you to arrange a meeting to discuss the details in order to make an informed decision as to whether or not this affects the offer of appointment. The final decision as to whether your appointment can proceed will be made by the Director of Human Resources.

Background

The first priority of Staffordshire University is the safety and welfare of children and vulnerable adults in our care, who use the services of the University or come into contact with members of the University. We intend to achieve this by exercising rigour and vigilance in employment-making; criminal record Disclosures are central to this.

Disclosure information will be treated as sensitive personal data; recipients will follow the University's data protection and criminal record checking procedure when handling Disclosure information. The University will treat all applicants fairly judging peoples' criminal records on merit, in accordance with the law and in relation to the responsibilities of the post in question. The University will not subject anyone who discloses a criminal record to unfair treatment on the basis of convictions subject to relevant legislation and reasonable judgement.

- § As an organisation using the Criminal Records Bureau (CRB) Disclosure service to assess applicants' suitability for positions of trust, Staffordshire University complies fully with the CRB Code of Practice and undertakes to treat all applicants for positions fairly. For those positions where a Disclosure is required, all job advertisements and job descriptions will contain a statement that a disclosure will be requested in the event of the individual being offered the position.
- § Where a Disclosure is to form part of the recruitment process, we encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent under separate, confidential cover, to Personnel Services at Staffordshire University, and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process.
- § Unless the nature of the position allows Staffordshire University to ask questions about your entire criminal record, we only ask about 'unspent' convictions as defined in the Rehabilitation of Offenders Act 1974.
- § We ensure that those at Staffordshire University who are involved in the recruitment process have been suitable trained to identify and assess the relevance and circumstances of the offences. We also ensure that they have received appropriate training and guidance in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.
- § At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to a withdrawal of an offer of employment.
- § We make every subject of a CRB Disclosure aware of the existence of the CRB Code of Practice and make a copy available on request.
- § We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.

Having a criminal record will not necessarily bar you from working with us. This will depend on the nature of the position and the circumstances and background of your offences.
