

Brilliant Interview

Author: Ros Jay

ISBN: 0-273-70356-0

Section: Applications & Interviews

What do interviewers really want to hear?

A job interview is a big deal – a new job can boost and affect your whole

life. But what are interviewers really looking for? What can you say and do to improve your chances of getting the job? And what should you avoid at all costs?

Based on real research into what recruiters are looking for, Brilliant Interview is the book that reveals how interviewers decide who they want to hire - and how to make sure that person is you. It's clear, down-to-earth guide with tips, examples and advice from the people who know you best – the interviewers.

New to this edition are suggestions of what to say in those anxious moments as you walk to the interview room, and a whole new section on competency-based interviews, so you've nothing to fear, whatever they throw at you.

You'll arrive on the day knowing what the interviewer is looking for – and you'll be ready to deliver it.
