General Terms and Conditions of Service for Staff

Appointment to the University

The University is an independent Statutory Higher Education Corporation. As such the Board of Governors of the University is the employer, and is responsible for determining the employment policy, pay and conditions of service of all its employees.

The agreed terms and conditions for all staff are set out in the University's terms and conditions of service. In addition your attention is drawn to the following general points:

Medical Clearance

The appointment is subject to satisfactory medical screening, which normally consists of completion of a confidential questionnaire.

Eligibility to Live and Work in the UK

In line with the Immigration, Asylum and Nationality Act 2006, documentation is required to confirm that employees are eligible to live and work in the UK. Any offer of employment is subject to this documentation being provided.

CRB Clearance

Where indicated in the job description an offer of employment will be subject to a satisfactory response to a check of criminal records.

Qualifications

New employees will be required to produce evidence of qualifications which are deemed essential for the post, as set out in the job description.

Pension Contributions

All members of staff are eligible to contribute to the relevant occupational Pension Scheme which is either the Local Government Pension Scheme or Teachers Pension Scheme, both of which are final salary schemes. Staffordshire University as the employer also contributes to each scheme.

Payment of Salary

Salary is payable monthly in arrears, normally on the last Wednesday of each month. Payment is made by direct credit to a recognised bank or building society account. All new employees should ensure that the relevant details for credit transfer are completed on the standard form issued on appointment.

Annual Leave

Individuals are entitled to the following leave entitlements based on the grade of the post:-

Grade	Number of Days Worked per Week *		
	4	5	6
One	24	29	35
Two	24	29	35
