

Joining eduroam on iOS

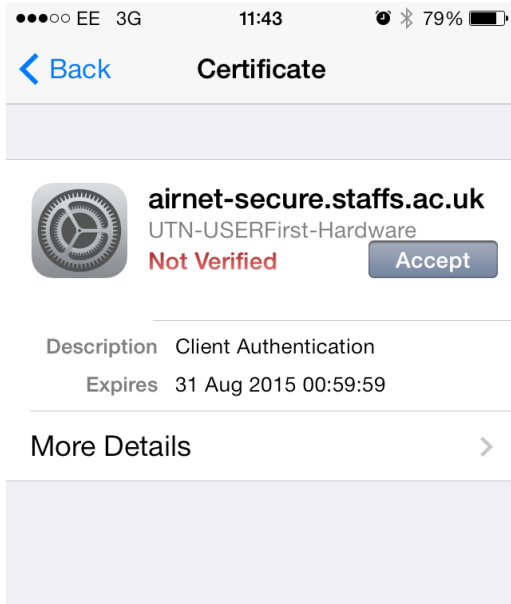

1. Go into **Settings, Wi-Fi** and then select the **eduroam** Wi-Fi network

2. Enter your username and password when prompted
Staff need to use:
username@staff.staffs.ac.uk
Students need to use:
username@student.staffs.ac.uk
Your domain login password needs to go into the second box and then press **Join**.

3. Select **Accept** on the certificate page

4. You should then be connected and ready to use eduroam at Staffordshire University and partner institutions where eduroam is available without any further configuration.
