At Staffordshire University, we want to make it as affordable as possible for you to join our Legal Practice Course.

That's why we've introduced a flexible interest-free payment scheme that will allow you to spread the cost of your LPC over three years.

Alternatively, you can pay the course fees in full and receive a 5% discount.

Or you can choose to spread the cost of study over one year – by three equal instalments or seven monthly direct debit payments.

Our payment options are available regardless of whether you plan to study the LPC full-time over one year, or part-time over two years.

Plus, if you're a graduate of Staffordshire University, you'll benefit from a full 15% discount off course fees.

To find out more about spreading the cost of your LPC, please email Julie Gingell at: j.gingell@staffs.ac.uk
