

## Staffordshire University Register of Collaborative Provision

Staffordshire University offers higher education awards in collaboration with a number of UK and international partners. The table below provides details of our collaborative provision by partner institution. The register is split into two sections: a) Collaborative Academic Partnerships and b) Employer Partnerships. Section a) indicates the type of collaborative arrangement under which each course operates. These fall under the following categories: dual, franchised, quality assured and validated provision. <http://www.staffs.ac.uk/partnerships/collaborative-arrangements.jsp>
