Cycling in Stoke on Trent

15th January 2010

Conference

Background

Cycling Stoke have £9.6 million to spend over three years to improve cycling in Stoke on Trent. Since October 2009 Cycling Stoke and the Geography Department have been collaborating by using students to investigate cycling in the general public, and staff and students at Staffordshire University. This conference will present the results of the research as well as illustrating best practice (from other Universities, towns, businesses and Europe) and making recommendations to improve cycling in Stoke on Trent.

Film competition – Cycling in Stoke on Trent.

£600 prize money.

Closing date 16 April 2010, more details at www.staffs.ac.uk/iesr
