

### Have you got something to say?

- Can't get into your lab when you need it?
- Enjoyed a particular part of your course?
- Don't know who your personal tutor is?

### *Have you considered becoming a Student Academic Rep?*

### What do STARs do?

- \* Student Academic Representatives 'STARs' are here to ensure the student voice is heard
- \* They are the vital link between the students, the University and the Students' Union
- \* They talk to students on their course to collect views
- \* They voice these views and concerns at Faculty meetings with key members of staff

### Why should you be a STAR?

- \* Receive formal recognition for your STARs voluntary work
- \* Be paid an engagement allowance
- \* Gain transferable skills
- \* Add your experiences and development to your CV!
