

University of Staffordshire – Register of Collaborative Provision

The University of Staffordshire offers higher education awards in collaboration with UK and International partners.

The register is split into three sections:

- Current UK Partners (Collaborative Academic Partners and Apprenticeship Partner Organisations);
- Current International Partners;
- Closing Partnerships (UK & International).

Partnership and course details are correct as of 4th September 2025

Key

DTIB – School of Digital, Technology, Innovation and Business

HEPS – School of Health, Education, Policing and Sciences

*Recruitment suspended for current academic year.

Note: Some courses may appear under both ‘Current’ and ‘Closing’ Courses. This is where a new version of the course has been put in place whilst there are students on the teach out of a different version of the course.
