Monitoring of University-level Risk

The University is committed to implementing a risk management framework, to enable an appropriate and proportionate level of risk management across the University and to ensure that key risk related issues are addressed in a timely fashion.

The objectives are to:

- Continuously develop risk management to raise its profile across the University
- Further integrate risk management into the culture and decision making of the University
- Manage risk, including the University's risk appetite

The following risks are overseen by this Committee:

Risk	Risk Appetite Level
Digital capacity	Hungry
Employability	Open – Hungry
Employer enterprise	Hungry
Internationalisation	Hungry
Learning & Teaching enhancement	Hungry
Academic portfolio development	Hungry
Quality assurance	Cautious
Civic engagement	Hungry
Research capacity and performance	Hungry

Student support	Open - Hungry
Partnership progression	Open

	Approach to achieving aims and objectives	Potential Reward/Benefit from Risk taking
Avoid	Safe; exposure to only the very lowest levels of risk	Very Low
Cautious	Guarded; as little risk as reasonably possible	Low
Moderate	Balanced; exposure to middle-ground risks	Medium
Open	Creative; elevated levels of risk exposure	High
Hungry	Pioneering; substantial levels or risk exposure	Extremely High

Strategy

- a) To ensure that the Committee can provide assurance to the Board of Governors that the University has in place a robust Strategic Plan to drive the strategic direction of the University and that this is being effectively delivered.
- b) To ensure that the Committee can provide assurance to the Board of Governors that the University has in place supporting strategies to underpin the delivery of the Strategic Plan and that this is being effectively delivered.

- c) To ensure that the committee is briefed on developments within the Higher Education sector, Education sector more generally and national regional developments, in order to provide assurance to the Board of Governors that the University is best placed strategically to respond.
- d) To ensure that the Board of Governors has the knowledge and information to determine the educational character and mission of the University.
- e) To report to the Board of Governors any matters which might affect the Board's responsibility for the determination of the educational character and mission of the University, and/or its delivery of the Strategic Plan and supporting strategies.
- f) To be informed of the developments within the Staffordshire University Multi Academy Trust and its activities, and to ensure that the Board of Governors continues to have oversight of the benefits, performance and risks of the MAT to the University.

Performance

- g) To ensure that confidence can reasonable be placed in the soundness of both the University's management of academic standards of its awards on campus and through partners.
- h) To ensure that the University has in place appropriate arrangements for the review of the product portfolio, that this meets the demands of students and employees, forward-looking and are consistent with the educational character and mission of the University.
- i) To ensure that the University has in place appropriate arrangements for the monitoring of performance and measuring impact.
- j) To review the Key Performance Indicators (KPIs) throughout the academic year for ongoing appropriateness.
- k) To receive on a timely basis, regular reports on the performance of the University against the identified KPIs to ensure that performance is on track to deliver against the annual milestones, and that where performance is below expectations that appropriate plans are in place.
- l) When considering the performance of the University against its key performance indicators, appropriate consideration will also be given to relevant external benchmarking and competitor information tables.
- m) To regularly receive reports on the University's ranking within the established league tables and supporting analysis, information regarding actions being taken to improve these positions, and forecasting future performance where possible.

Other

- n) To consider, on behalf of the Board of the Governors, any other matters as referred to the Committee from time to time by the Board.
- o) To be aware that the Board of Governors and its sub-committees continue to have oversight and governance of all appropriate matters for Staffordshire University and for Staffordshire University Services Limited.
