### Parking at Royal Shrewsbury Hospital

<http://www.sath.nhs.uk/patients-visitors/getting-to-us/car-parking>

Shrewsbury and Telford Hospital NHS Trust have designated car parking facilities for patients and visitors. Our hospitals are very busy, so please allow plenty of time before your appointment to park.

Payment is on exit at one of the one-site machines located in the exits of the hospital. Patients and Visitors can pay by cash, debit and credit card. Please note that the machines do not give change but we do have change machines located near to the payment machines.

Payment can also be made on-line up to midnight on the day of the visit to the hospital site by logging on to SaTH Parking.

### Pay Machines

You should pay at the end of your visit to hospital. The system is simple to use:

- Input **three consecutive digits from your registration number**. The machine will display an image of your vehicle and ask you to confirm it is yours
- It will then calculate the payment required based upon the time you have been on site
- The pay machines do not give change. They accept 10p, 20p, 50p, £1.00 and £2.00 coins

You can also pay by debit or credit card or by telephone or on-line before midnight on the day you attend the hospital site.

### Multiple Visits

If you are making multiple visits to the same hospital during a 24-hour period you have the option of selecting "daily rate" and you will pay no more than £3.50 for that day, rather than paying the "hourly rate" each time you attend.

### By Bus

The Bus Station is situated in the centre of Shrewsbury. The No.11 Arriva Bus runs a frequent bus service to the hospital's main site Monday to Saturday. The timetable can be viewed on Arriva's website.

### By Train

Shrewsbury Station is situated in the centre of Shrewsbury, and is approximately 15 -20min drive from the hospital. Taxis are available from outside the station and the bus station is within walking distance.
