**Successful Grant Applications**

I am a member of the PHENOTYPE research project (www.phenotype.eu). This is a four year (2012-2016) €3.5 million, European FP7 project to explore links between the natural environment and health involving nine partner institutions. In 2013 Stoke City Football Club funded a PhD student, under my supervision, to investigate the development of resilience in elite youth football players.
Current Postgraduate Supervision (all PhD)

Principal supervisor for Joe Dixon, Staffordshire University. Preliminary title ‘Challenge and Threat in Sport’.

Principal supervisor for Charalampos Fountoulakis, Staffordshire University. Preliminary title ‘Heart rate variability and emotion regulation in sport.’
