Your place  
of possibility

We are delighted to announce that Staffordshire University has rebranded to become University of Staffordshire. It reinforces our commitment to Staffordshire and beyond. Our brand evolution also heralds an exciting new future, with lots of new opportunities for our students.

# WELCOME TO LAW

**We're your gateway to the legal profession. Study one of our Law degrees and you'll gain the real-world skills and experience for success.**

Work with real clients through our Legal Advice Service. Make legal submissions and take part in mooting competitions in our simulated courtrooms. Or explore how to regulate cyber space.

Once you graduate, you'll be equipped for further studies to become a qualified barrister, solicitor or CILEX lawyer.

We offer next-level teaching, hands-on and personalised learning, and all the support you need. You can personalise your degree by choosing subjects in your final year which support your academic and career ambitions.

Volunteer with one of our advice clinics and you could be helping members of the public with a housing, consumer rights, employment or family law issue. You'll do client interviews, research and offer written legal advice.

You'll also get to experience the cut and thrust of court life. You could be arguing your case in front of a judge in one of our mock courtrooms and pitting your wits against opposing lawyers.
